

Clean Air Policy

In an effort to promote a healthier educational environment, Central Alabama Community College has adopted a Clean Air Policy. Smoking poses a significant health risk to both smokers and nonsmokers. In addition, smoking can damage sensitive technical equipment and can be a safety hazard. Secondhand smoke can be annoying and is hazardous to non-smokers.

Definitions

To "smoke" and "smoking" is defined as creating smoke, vapor, or any other type of emission by lighting a cigarette, cigar, pipe, or other smoking product including but not limited to electronic cigarettes or vapor cigarettes.

cigar, pipe or other tobacco and /or smoking product including but not limited to electronic cigarettes or vapor cigarettes.

from lighted, smoldering or burning tobacco and/or smoking product from a person smoking cigarettes, cigars, pipes, or other tobacco and/or smoking product including but not limited to electronic cigarettes or vapor cigarettes.

All locations of Central Alabama Community College are smoke-free and tobacco-free. This includes all indoor and outdoor facilities and properties belonging to Central Alabama Community College. Smoking and use of tobacco products is prohibited inside all vehicles that are owned, leased, or rented by the College. Metered-dose inhalers and nebulizers are permitted.
